ASC Senate Order for entity contracts listing relating to the period 1 January 2020 to 31 December 2020:

ASC Background

The Australian Sports Commission (ASC) is the Australian Government agency responsible for supporting and investing in sport and physical activity.

Our vision is for Australia to be the world's most active sporting nation, known for its integrity, sporting success and world leading sports industry.

We were established in 1985 under the *Australian Sport Commission Act 1989* and operate in accordance with the *Public Governance, Performance and Accountability Act 2013*.

The ASC is governed by a Board of Commissioners appointed by the Minister for Sport. The Board determines the ASC's overall direction, decides on allocation of resources and policy for delegated decisions and is accountable to the Minister for Sport.

The ASC unites two entities; Sport Australia — responsible for driving the broader sport sector including participation, physical activity and industry growth and the Australian Institute of Sport (AIS) — leading our high performance sport system.

From grassroots right up to the pinnacle of elite international competition, we work together with the sport industry and the wider community to champion the role sport can play in engaging every Australian.

Senate Order requirements
